BASIS OF COMPLAINANT'S CHARGE AGAINST THE ACCUSED CONTINUED:

At the Sundowner address, SA's located 30 (UNC's) in the residence, excluding Jesus Gabriel Villela-Duran. None of these individuals had legal permission to be in the United States.

Material witness Juan Carlos Rodiles-Mendez was located at the Sundowner address. He indicated he crossed into the United States near Cananea, Sonora, Mexico. He agreed to pay \$10,000 for his smuggling fee. Rodiles-Mendez was able to identify a person, VILLELA-Duran as the caretaker of the apartment. Rodiles-Mendez was also able to identify another individual Salvador LOPEZ-Vargas. LOPEZ-Vargas gave instruction to VILLELA-Duran while in the apartment. LOPEZ-Vargas was arrested before executing the search warrant at 3622 W Melvin Street on June 30, 2022.

On June 30, 2022, while agents were at the Melvin address, a Honda Odyssey approached the address. This Odyssey had been identified as vehicle used in the smuggling organization. The van immediately left the area of the residence and agents were able to stop the vehicle. The driver was identified as Salvador LOPEZ-Vargas. There were seven (7) individuals in the back two rows of the van. None of the individuals had legal permission to be in the United States and were determined to be UNC's. One person was identified as Elmer Perez-Tomas, who is from Chiapas, Mexico and illegally crossed into the United States near Douglas, Arizona. He agreed to pay money for his smuggling fee. He indicated a red van picked him up in Phoenix, which was the same van stopped by agents, being driven by LOPEZ-Vargas. A Ruger .380 handgun was located in the van.

Material witness Alex Estuario Jalal-Cabrerra was also in the Sundowner apartment. He is from Guatemala and stated he made arrangements to be smuggled while in Guatemala. Jalal-Cabrerra said his fee was going to be \$13,500 dollars. He identified VILLELA-Duran as the person in charge of watching over the apartment.

Post-Miranda, VILLELA-Duran admitted to transporting UNC's from drop off locations in Phoenix to 4530 N 23rd Avenue and maintaining the apartment for harbored UNC's and watching over them until they departed to the interior of the United States.

While at the Melvin address, agents observed a silver Expedition depart the target residence. Agents observed one individual go into Food City, purchase supplies, then go back to the vehicle. Agents approached both individuals as they were loading supplies into the Expedition. Agents determined they were both present in the United States illegally.

Material witness Tellaz-Paz was the passenger in the Expedition and identified SOTO-Diaz as the person in charge of the house. SOTO-Diaz was the driver of the Expedition. Tellaz-Paz also identified LOPEZ-Vargas and indicated LOPEZ-Vargas drove him to the Melvin house a couple days prior to June 30, 2022. He also indicated LOPEZ-Vargas was also in control of the house along with SOTO-Diaz. Tellaz-Paz was in the country illegally and had agreed to pay money to be smuggled into the United States.

Material witness Azeglio Alexander Chuc-Quibaja is from Guatemala and stated he made arrangements to be smuggled from Guatemala for \$50,000 Quetzales. Chuc-Quibaja was found inside of the Melvin address. Chuc-Quibaja identified SOTO-Diaz and stated SOTO-Diaz would read off a roster each night for UNC's departing the house for the interior of the United States. A total of 49 people were located in the Melvin address. None of these individuals had legal permission to be in the United States and were all in the country illegally.
